Committees

Mark all areas of interest. Your contact information will be added to each roster selected to receive updates.

Committee involvement does not require specific time commitments.

You are encouraged to attend as few or as many committee activities at your discretion.

- Governmental Affairs:** The mission of the Governmental Affairs committee of the Greater Columbus Georgia Young Professionals Program is to promote active dialogue among YP members, political candidates, and public officials (YP does not support specific political parties or groups). This committee has hosted the Candidate Forum, Columbus Day at the Capitol, and Conversations with Congressmen.
- Leadership & Career Development:** The mission of the Leadership & Career development Committee is to provided YP's with exceptional leadership learning opportunities and recognize YP's for exceptional leadership and service in the community. This committee facilitates participation in unique career development opportunities outside of the workplace. It is also the goal of this committee to expose area businesses to talented YPs and vice versa.
- Servant Leadership:** The mission of the Servant Leadership Committee is to encourage and facilitate community service by connecting YPs to local projects and non-profits and prepare qualified young volunteer leaders for board service. This committee has hosted YP Day of Action and Time for Art.
- Social Engagement:** The mission of the Social Engagement Committee is to create relational and social value for YP membership. This committee hosts Uptown Screen on the Green, Comedy Night, and the annual Holiday Parties.
